A BENEFITS PACKAGE LIKE NO OTHER

Employee benefits are some of the most important perks you get from your employer.

Your employer has partnered with ADP TotalSource to give you access to the same quality and selection of benefits typically offered at larger corporations and Fortune 500® companies.

Your standard, everyday coverage — medical, life, and disability insurances offered through the **ADP TotalSource, Inc. Health and Welfare Plan** — is just the beginning of your available package.¹

You may also have access to a 401(k) retirement savings plan, as well as dental and vision coverage.

Regardless of benefits eligibility, you and your family can receive discounts for entertainment venues, like movie theaters and amusement parks, as well as restaurants, mobile phone plans and travel reservations.

For employees who pay to park or ride to work, commuter benefits let you use pre-tax dollars to help put some money back in your pocket.

For full plan details, check out the ADP TotalSource, Inc. Health and Welfare Summary Plan Description, **[which is linked here](#)**.

¹ Availability of medical, dental, vision, and Flexible Spending Account plan options depend on your employer's elections as well as insurance carrier availability. Please refer to your enrollment materials for the specific benefits available to you.

This guide walks you through benefits that may be available to you. Please note that some benefits require predetermined eligibility, whereas others are available to all.

HEALTH SAVINGS ACCOUNT

Available when enrolled in a High-Deductible Health Plan, or HDHP, a Health Savings Account, or HSA, can be used to pay for qualified medical expenses now or in the future through a personal savings account, offered through Optum Bank®.

- Contributions are tax-free.
- Potential interest gains accumulate tax-free.
- Tax-free distributions for qualified medical expenses.
- The money is yours. You set contribution amounts and keep the funds, even if you change jobs or health plans, or retire.
- An Optum Mastercard® debit card can be used to pay for medical needs like eyeglasses, hearing aids and prescriptions, as well as office copays and doctor visits.
- You are responsible for monitoring the funds that go into your account and not going over your annual contribution limit. **Click here** to learn about tax consequences for exceeding contribution limits and other plan details.

Call our MyLife Advisors (800-554-1802) to learn more, or visit optumbank.com to manage your account.

When to sign up:

HDHP enrollees are eligible for this benefit at any time. If your employer offers monthly contributions, you must enroll by the first of the month to avoid forfeiting that month's contribution.

HEALTH CARE FLEXIBLE SPENDING ACCOUNT¹

Another way to save and pay for eligible health care expenses is through a Flexible Spending Account, or FSA.

With an FSA, you decide your contribution for the Plan Year, and the money will be deducted from your paycheck, tax-free, every pay period. Best part? The full value of your annual contribution is available to use for claims on the first day of your FSA enrollment effective date.

This account also offers a carryover feature: Up to \$660 of any unused amount remaining at the end of the 2025-2026 Plan Year can be carried over to the new Plan Year beginning June 1, 2026. Anything over this amount will be forfeited if not filed for reimbursement by the filing deadline, which is July 30 following the end of the Plan Year. Expenses must be incurred by May 31.

It's important to note that the Health Care FSA isn't available if you elect an HDHP, but you can choose a Limited Purpose FSA for eligible dental and vision expenses.

Call our MyLife Advisors (800-554-1802) to learn more, or visit optumbank.com to manage your account.

When to sign up:

If you are eligible for this benefit, you can sign up during **Open Enrollment, new hire enrollment or when you experience specific qualifying life events.**

¹. [Click here](#) to read further details on the FSA products.

WHAT ARE THE DIFFERENCES BETWEEN AN HSA AND AN FSA?

These accounts share a lot of similarities, in that it's all your money — it's not taxed, and the IRS sets different limits on how much you can put in or carry over from year to year.

For the most part, you can start spending from these accounts the day you open them, but you can't use them for anything other than eligible health care expenses. Detailed information is available in the [Summary Plan Description](#). Here are the major differences between these two accounts:

Health Savings Account	Health Care Flexible Spending Account
<ul style="list-style-type: none"> • Can be used for health care services and qualified medical expenses. • Must be enrolled in a HDHP that meet IRS guidelines. • Money can be deposited by you or by your employer from your paycheck, before taxes — employers can also choose to make contributions.¹ • Earns interest. • Balance can eventually be cashed out and (rules pending) can later be used as a nest egg for retirement. (Tax rates apply.) • Remaining HSA funds are not forfeited. 	<ul style="list-style-type: none"> • Can be used for health care services and eligible medical expenses. • Can sign up if it's offered, regardless of your health plan.² • Your FSA contributions are deducted from your paycheck, before taxes. • No interest is earned. • Funds may be forfeited.³ • Up to \$660 can be carried over to the next Plan Year, if you remain eligible to participate.

1. California and New Jersey tax employer HSA contributions as income.
 2. If you elect an HDHP plan you qualify to open an HSA, but you can only choose a Limited Purpose FSA which can only be used on dental and vision expenses.
 3. FSA is subject to the ADP TotalSource, Inc. Health and Welfare Plan Year (6/1/25 to 5/31/26).

When to sign up:

If you are eligible for this benefit, you can sign up during **Open Enrollment, new hire enrollment or when you experience specific qualifying life events.**

DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT¹

In addition to a Health Care FSA, you may also be eligible for a Dependent Care FSA, or DCFSA. This pre-tax benefit account allows you to set aside money to pay for eligible dependent care expenses, like:

- Child- or afterschool care for those under 13 years old.
- Elder care for dependents who are physically and/or mentally unable to care for themselves and without an able caregiver at home.

DCFSA's are designed to help working parents and caregivers save money on dependent care cost while maintaining their employment or attending school full-time. It is important to note that DCFSA's cannot be used to reimburse medical expenses.

Here are some other features:

- Funds in this account are your money.
- No federal income tax paid on deposits or withdrawals.
- You decide how much to contribute during the Plan Year, but no more than the allowable contribution limits.
- Funds are accrual-based — instead of being available in full at the start of the Plan Year, your balance becomes available as you make contributions.
- There is no carryover of remaining funds into the new Plan Year. Use your money for eligible expenses incurred during the Plan Year and file for reimbursement before the July 30 filing deadline to avoid forfeiting remaining funds.

¹ [Click here](#) to read further details on the Dependent Care FSA.

When to sign up:

Additional services, such as fillings, oral surgeries and orthodontics, may also be available to you, though out-of-pocket costs will depend on your co-insurance rate.

We partner with a number of carriers, each with their own unique coverage options and additional benefits.

- Funds are evenly deducted from each paycheck and carry over to the next month.
- You'll receive a payment card to pay for qualified parking or transit expenses.
- Contributions can be paused at any time.
- Submit claims for reimbursement.

Note: If your employment is terminated, you may submit any outstanding claims for parking expenses incurred prior to your termination date for a period of 60 days following the date of your termination of employment. All other commuter benefit funds will be forfeited.
